BARBADOS

The 11th Brydens Barbados Darts Festival 2 – 12 November 2013

Presented By **Harrows**

Open to darts players, both men and women, of all standards and their partners, The Brydens Barbados Darts Festival is a proven winner with participants.

It offers a darts-orientated holiday in one of the most sought-after destinations on the planet.

The itinerary combines both social darts and tournament darts with prize money plus a social programme designed to enable you to enjoy all that Barbados is justly famous for.

You will meet darts players from around the globe who share your common love of darts. Previous participants have come from the UK, Ireland, USA, Canada, Austria, Spain, Trinidad & Tobago, St Lucia, The Bahamas, Guyana, the Cayman Islands and, of course, Barbados.

The Festival Hotel, Rostrevor, has become a firm favourite with participants. Situated in the popular St Lawrence Gap, it is within walking distance of a variety of bars, restaurants, banks and shops – with Jobus, the social darts hub right across the street. And you will have a magnificent view of the ocean from your room – just yards away!

"Probably the best of its kind around. Great place, great people, great experience. Donna and I have always had a superb time"

Wayne Mardle.
