

I, \_\_\_\_\_, promise to reject a PDC invite to their 2013-2014 World Championships. To be eligible for consideration for the Lakeside spot, as of June 1, 2013, I will adhere to the BDO 180 rule, not participate in any event that offers PDC points and not be in contention for a spot in the PDC World Championships.

In return, the BDO will re-instate any missing points for the 2013 calendar year prior to June 1, 2013.

I understand that if I break this promise, the BDO will again remove all points earned that fall into the 180 rule.
